

Brookfield Farms Summer Camp 2010 - The Program

This year Brookfield Farms Equestrian Center is offering only two sessions of summer camp. Each session will run from 8:30AM – 12:30PM Monday through Friday. Each session will feature activities for riders at the beginner and intermediate levels. In addition to group riding instruction, the program will also feature instruction on grooming, braiding, bandaging, and general horse care. Campers will learn about daily barn management and maintenance at a hunter/jumper facility. A special Camper's BBQ will be held at the end of each session for all campers. Children must be six years of age and each session is limited to ten children.

Boots with a 1" heel, and jeans or riding pants are required for all riding. *We will supply all riding helmets for the students. All children must also bring water and a snack.
